Cascading the Learning—Share Your Insights & What You Are Implementing

- On a scale of 1-4, rate the program you attended:
(1 = "Not worth the money." 4 = "I wish I'd learned this sooner!")

1 2 3 4

Name the top three things you learned during this program:

1)

2)

3)

- Share your specific plan for putting at least ONE thing you learned into practice – in your current position.
- What resources will you need to make this happen? (*people, \$\$, time, etc.*)
- What challenges do you anticipate may stop you from being successful in implementing this new learning?
- How will you overcome those challenges?
