

KATHY PETERSON

President

MEET KATHY

At the age of five, Kathy Peterson was an aspiring speaker. Her first podium was a piano bench and her first audience were her dolls and stuffed animals. Today, Kathy holds the Certified Speaking Professional (CSP) designation, placing her in the top 15% of speakers worldwide.

Prior to founding PeopleWorks in 1998, Kathy worked as a management development specialist in the global HR department of a Fortune 500 technology company. There, she designed, developed, and facilitated a variety of management and leadership training programs for more than 3000 leaders worldwide. Peterson began PeopleWorks because she saw the need to bring this type of management and leadership training to companies of all sizes. All companies need great leaders. This remains Kathy's area of specialty, although she has also expanded her business to include employee training and top notch keynote presentations for organizations and conferences across the U.S.

Kathy enjoys being involved in several professional organizations, including the National Speakers Association and the Association for Talent Development. She is an avid Iowa State Cyclone fan, having earned her Bachelor's degree in Communication Studies from ISU. She currently serves on the Iowa State Alumni Association Board of Directors as Chair Elect. Kathy also completed a Master's degree in Adult Learning & Organizational Performance from Drake University, and has earned HR certifications including the Senior Professional in HR (SPHR) and the SHRM-SCP.

In addition to being a successful business owner, Kathy is a wife to her very best friend and a mom to four incredible children. Kathy and her husband are proud to be the fifth generation to live and work on the Peterson family farm outside of Storm Lake, Iowa.
